FOUNDER'S MESSAGE

Namaste! It is with deep devotion and commitment that I share the vision of Dev Parikrama Foundation. Our ancient language Sanskrit is not just a medium of expression, but the very foundation of Bharat's spiritual, cultural, and intellectual heritage. Yet, in today's time, this treasure of wisdom is fading away from the lives of our children. To revive this glorious legacy, we have taken an initiative to protect and preserve Sanskrit, spreading awareness about why every child of Bharat should learn this divine language. As part of this mission, we are establishing a free education school – शुभदा (Śubhadā) – Giver of Auspiciousness, where every citizen of Bharat can learn Sanskrit and study our scriptures without barriers of wealth, class, or background. This initiative is not limited to education alone. We aim to create empowerment for the youth and job seekers by opening doors to opportunities. Through workshops, community outreach, competitions, and cultural events, we will build a movement that will not only preserve Sanskrit but also strengthen the socio-cultural fabric of Bharat. This mission will inspire pride in our heritage, open new livelihoods, and contribute to the nation's growth. However, such a noble cause cannot be fulfilled alone. We seek the support of every citizen, devotee, and well-wisher of Bharat to walk with us on this path. Together, let us preserve our heritage, empower our youth, and gift the world the eternal light of Sanskrit.
